

# ANA MATEI

## FRONTEND DEVELOPER

### SUMMARY

Motivated and enthusiastic FrontEnd Developer with 1+ year of professional experience in developing user-friendly, visually appealing, and responsive web applications. Proficient in React, with a strong understanding of HTML, CSS, and JavaScript. A quick learner, always eager to take on new challenges and continuously improve my abilities. Seeking a role where I can continue to grow and make a positive impact on the user experience.

### WORK

#### ● React FrontEnd Developer (2022/06 - Present)

- Provided implementation, deployment and maintenance of the EasyCassa Web application, all-in-one cloud management services in the Sales Retail industry
- Developed new UI features based on Figma Designs and integrated them to the existing React components
- Optimised and resolved performance issues on pages, charts and complex forms
- Collaborated in an Agile environment with teams of Developers, UX/UI designers and QA Testers

**Skills:** React - Redux - ReduxSaga - MaterialUI - REST Api - Git & GitLab - Jira

#### ● Web Designer (2020/05 - 2022/01)

- In-house Funnel Builder and Web Designer building Sales Funnels for Italian and International Coaches
- Scaled Sales Funnels to €40K+ of sales in 2 months
- Enhanced functionality and appearance of website and increased sales by 10%
- Developed site navigation by funneling traffic through content
- Translated customer requirements into technical site concepts for bidding and initial planning purposes

**Skills:** GoHighLevel - Figma - Copywriting - Inbound/Outbound Marketing

#### ● Funnel Builder - Self-employed (2020/11 - 2021/09)

- Carried out day-to-day duties accurately and efficiently
- Worked flexible hours across nights, weekends and holidays
- Conducted research, gathered information from multiple sources (from top marketers like Russell Brunson, Gary Vaynerchuk, Tim Ferriss, Neil Patel etc. )
- Developed site navigation by funneling traffic through content

**Skills:** ClickFunnels - Figma - Digital Marketing - Email Marketing
